

# OPENING SESSION

## YOUR MORNING COFFEE

The energetic presentation, *Exposed to the Conference*, warms up an audience from start to finish making your audience **ready for a day of learning**. You will hear the balance between entertainer, presenter and conference ambassador.

From the first tentative laugh to the full blown audience **interaction gets the mind prepared** for an information keynote speech.

Dale's flexibility allows him to perform programs of variable lengths. From a **full program to a quick warm up session**, his creative style will catch your audience off guard, with the power of a high-energy drink. **Star your day off with laughter, smiles, and interaction.**

Create the synergy your crowd needs for the opening session with an act that will get them ready to learn.
